- Year 6**
- Graduation \$30approx
 - End of year excursion \$25approx

Our team is:

Year 6: Courtney Smith, Chris Athanasiadis & Sonia Hocking

Year 5: Sally Marsh & Laura Ellenby

Inquiry

The Science domain is the focus of the Year 5 & 6 inquiry this term. Our central idea is

Scientific explorations and discoveries change our world.

Students will be inquiring into chemical science, physical science and producing, absorbing and transforming energy.

Home Learning

Home Learning has commenced Week 2 & 3. Week 4 & 5. Week 6 & 7

At least 15 mins of reading a night. Please listen to your child read out loud – it's very important. Model what a good reader sounds like. Enjoy a book together!

Ongoing reporting

This term we are commencing continuous ongoing reporting which will building on our strong home-school partnerships. This will keep you informed about your child's achievement and areas for future learning.

Literacy

Students will be reading and writing a variety of texts that focus around our science inquiry. They will then using their scientific understanding to form questions and make connections within their world.

Numeracy

Students will be working on multi-faceted maths investigations and problem solving. The tasks will provide an authentic opportunity to integrate all areas of the maths curriculum in real life situations.
